TITLE	Reason for Modification	Page	1/1

Dear sir,

Reasons for our company to request modification of foreign standards certification are followings.

1. Replacement of Chipset.

- Alteration of structural organization was inevitable due to previous chipset suppliers' inability to manufacture and supply chipset.
- Old Realtek chipsets were replaced by new M-Star chipset.

2. Application of PB-Free PCB Boards to encounter RoHS

- PCB Boards were applied to AD Board, OSD Board, and Inverter.

Thus, we are here to request revision of foreign standards certification for above two reasons.

Megavision Co., LTD.
