Date (15/12/2015)

Dear Sir/Madam,

RE: Modular Approval Request for Model:

FCC ID: QKLBT2

The following attestation addresses the requirements to support modular approval:

Modular approval requirement	**Yes**	**No ***
(a) The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly		X
(b) The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal	X	
(c) The module must contain power supply regulation on the module	X	
(d) The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b)	X	
(e) The module must demonstrate compliance in a stand-alone configuration	X	
(f) The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements)	X	
(g) The module must comply with all specific rules applicable to the transmitter. The grantee must provide comprehensive instructions to explain compliance requirements	X	
(h) The module must comply with RF exposure requirements	X	

* Please provide a detailed explanation if the answer is "No."
- This module does not have a shield.

Yours sincerely,

Name: John R. Kuhn

ESCORT

DRIVE SMARTER™

Date (07/06/2016)

Dear Sir/Madam,

RE: Limited Modular Approval Request for Model:

FCC ID: QKLBT2

ESCORT, Inc. is requesting Limited Modular Approval for FCC ID: QKLBT2. This is a module for use in only products designed by ESCORT, Inc. and is not to be sold to third parties for use in other products. FCC testing of QKLBT2 was completed with the ESCORT iX (FCC ID: QKLM4IX) as the host system. This is the first product that will ship with QKLBT2 and is representative of the worst case host configuration. The QKLBT2 will also be incorporated into other ESCORT, Inc. products in a similar manner.

Yours sincerely,

Name: John R. Kuhn
