

Sample of FCC ID Label

The device is so small that the 2 parts warning statement does not have to go on the device. It will be really hard to read. We remove the 2 parts statement from the device since we already have it in the manual.

This device complies with Part 15 of the FCC rules, operation is subject to the following two conditions.

- (1) This device may not cause harmful interference and,
- (2) This device must accept any interference received,
including interference that may cause undesired operation .

FCC ID :QLEGBU241
