Dear Timothy,

According to your review comments,  
please find the attached for your reviewing.

- 1) Our client has modified the user's manual on page 39.  
Please see the attached as file name: Installation guide 1.
- 2) Please find the attached as file name: band-edge plot.
- 3) Our client decided to lowered the RF output power, and we re-conducted the RF output power test and MPE test, the RF power test result please see the report of page 13, and the MPE test result please see the attached as file name: RF safety evaluation.

If you have any further question, please feel free to let me know.

Best Regards,  
Julia Chu
