Hi, Mike

Here are the answers:

Question #1: Radiated emission test procedure is not provided in the test report. Please provide.

<Kathy> Please see the Page 14 in the revised test report.

Question #2: Page 8 of test report refers to FCC 15.231 limit, please correct.

<Kathy> This is a typographical error. Already changed to 15.247. Please see the revised test report.

Question #3: The test setup diagram in the test report (page 11) does not agree with I/O cable (page 11) for VP2210. Please explain.

<Kathy> Please see the Page 9 and 11 in the revised test report.

Question #4: The EUT (VP2200 or VP2210) is not correctly indicated on the Test Setup photos (page 7). Please make necessary change.

<Kathy> Please see the Page 7 in the revised setup photos.

Thanks.

Kathy
