Dear Simon,

This letter is to inform you and the FCC testing organization that Grace Digital has officially partnered with Xingtel Xiamen Electronics Co Ltd for DECT business in North America. As consideration for our partnership we are providing the use of our UTAM license for the AME-link product into the US.

I have attached our UTAM affidavit for your records. If you have any additional questions or comments please do not hesitate to contact me.

We look forward to a successful partnership and driving products into the US market.
