Re: FCC ID: QMNRH-55
Applicant: Nokia Inc.

REQUEST FOR PERMISSIVE CHANGE CLASS II

Hereby we request to add M3 compliance with the emission requirements of R&O FCC 03-168 on the E- and H- near field (Section 4 of ANSI C63.19-2005 v3.5) to the current certification of the wireless device FCC ID QMNRH-55.

The wireless device is not equipped with a T-coil and is not being T-rated, therefore the requirements of section 6 of the ANSI C63.19-2005 v3.5 don't apply.

A handwritten signature in black ink, appearing to read "Ronald L. Chernus".

Ronald L. Chernus
