RE: FCC ID: QMNRM-19

Response to FCC Question:
(Correspondence Reference Number: 22236, 731 Confirmation Number: TC196676)
Dated Aug 8, 2005

Question: To assure compliance with 2.1043 please describe more specifically what subsystem the changed SAW filter belongs to.

- The TX SAW filter in question is on page 23, of the original schematics provided under Exhibit 5, located in the upper right hand corner and the reference designator is Z7000.
