Columbia, MD. 21046

Attention: Equipment Authorization Branch

The product FCC ID: QMNRM-60 is a Tri-mode/Dual band (800/1900 MHz) CDMA/AMPS product. However, based upon customer requirements, it may be necessary to disable one of the bands of operation via software. This product will mechanically and electronically be identical to the original product – no physical changes will be made. Nokia requests the right to perform this software change at will without applying for a permissive change or a new FCC Grant.
