Subject: Request for Short Term Confidentiality
FCC ID: QNG-BE2729

To Whom It May Concern:

In accordance with §0.459 of CFR 47 and Public Notice DA 04-1705, **Harman Becker Automotive Systems** requests

Short term confidentiality for the following items

1. External Photographs (Exhibit 3)
2. Internal Photographs (Exhibit 9)
3. User Manual (Exhibit 8)

until the product will be publicly announced.

These items contain detailed system and equipment description and related information about the product which **Harman Becker Automotive Systems** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **Harman Becker Automotive Systems** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Best Regards,

On behalf of **Harman Becker Automotive Systems**
