Subject: Request for **Permanent Confidentiality**

FCC ID: QNG-BE2802

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, **Harman International** requests permanent confidentiality for the following items

1. Block Diagram
2. Schematic Diagram
3. Part List
4. Operational Description

These items contain detailed system and equipment description and related information about the product which **Harman International** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **Harman International** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
