Hello Mike,

Question #1: What is the approval status of associated receiver that will be used with this transmitter ? If it is complied with FCC DoC procedure, please provide the model name and brand name. If it is complied with FCC equipment authorization procedures, please provide FCC ID number.

Answer: The transmitter is compatible with the following receivers:
PC5132-433, PC5102WKK1 (2), PC4164-433, LCD 5501Z32-433 and Envoy Systems.
Receiver PC5132-433 is already certified. FCC ID is F53005132.

Best Regards
Helen
