

Annex D: Photos of the test setup / external photos of the DUT

Photo No. 1: radiated spurious emissions up to 12 GHz

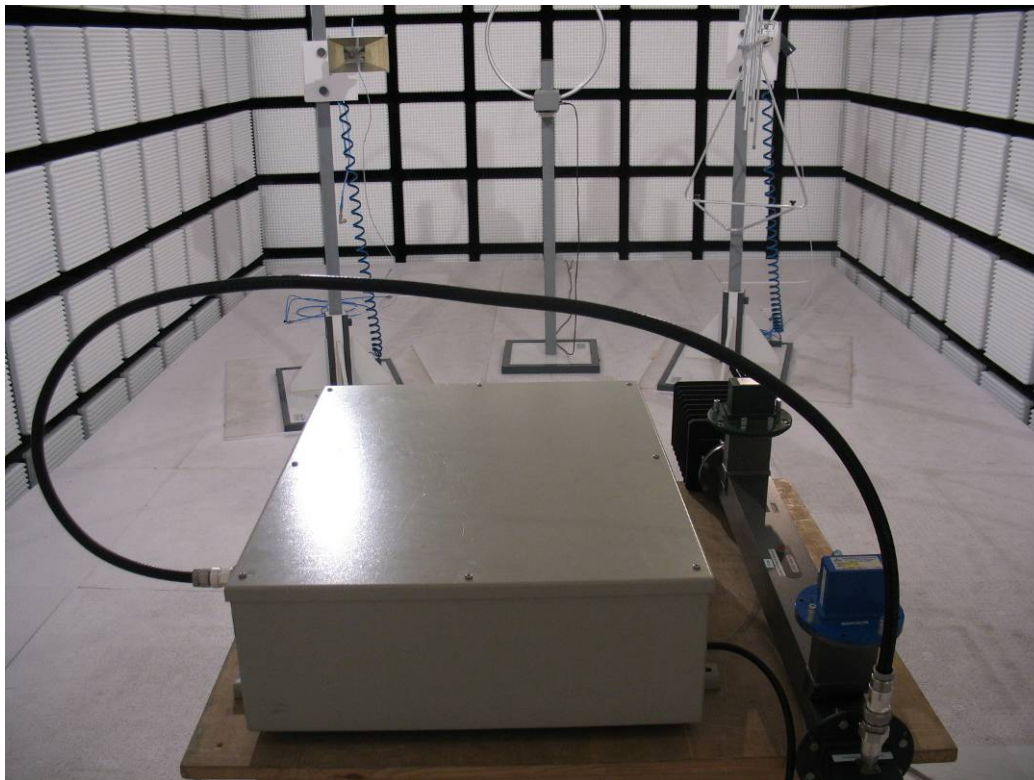

Photo No. 2: radiated spurious emissions up to 12 GHz

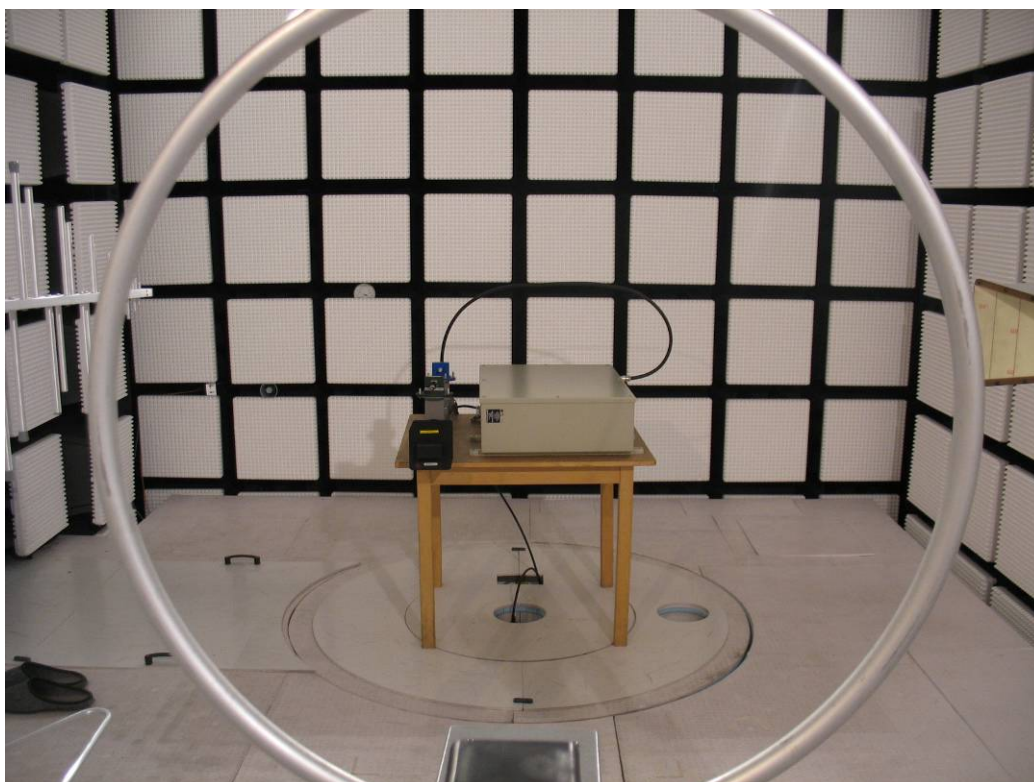

Photo No. 3: radiated spurious emissions up to 12 GHz

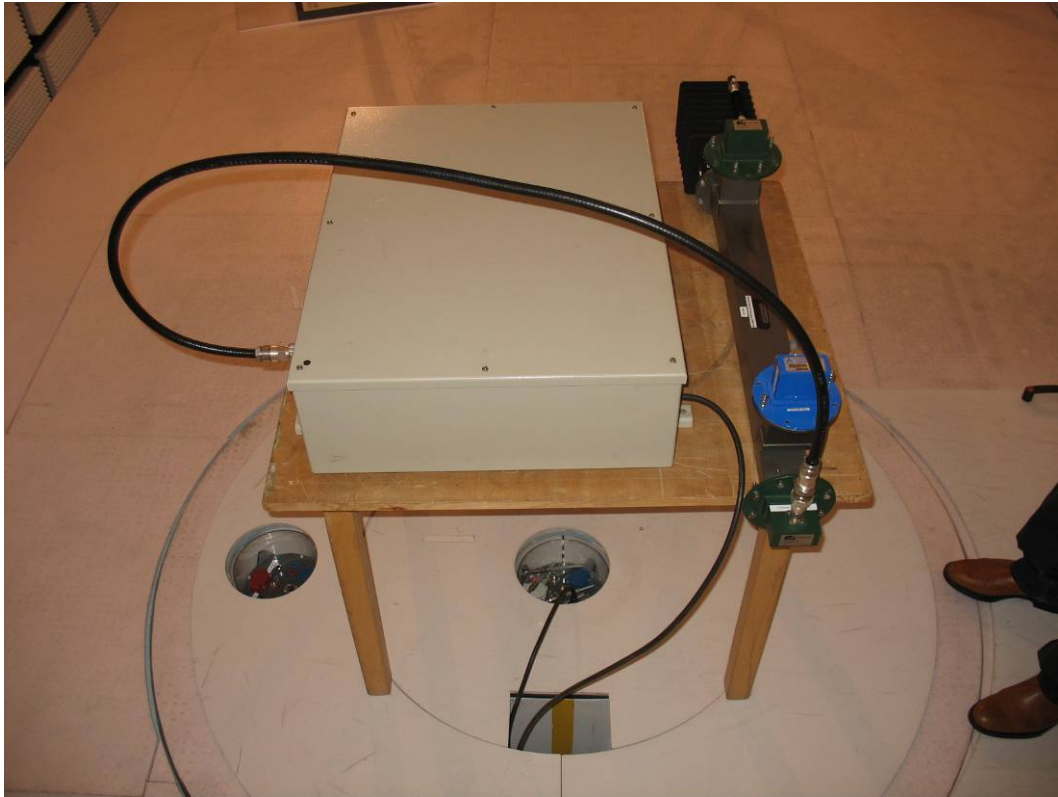

Photo No. 4: radiated spurious emissions up to 12 GHz

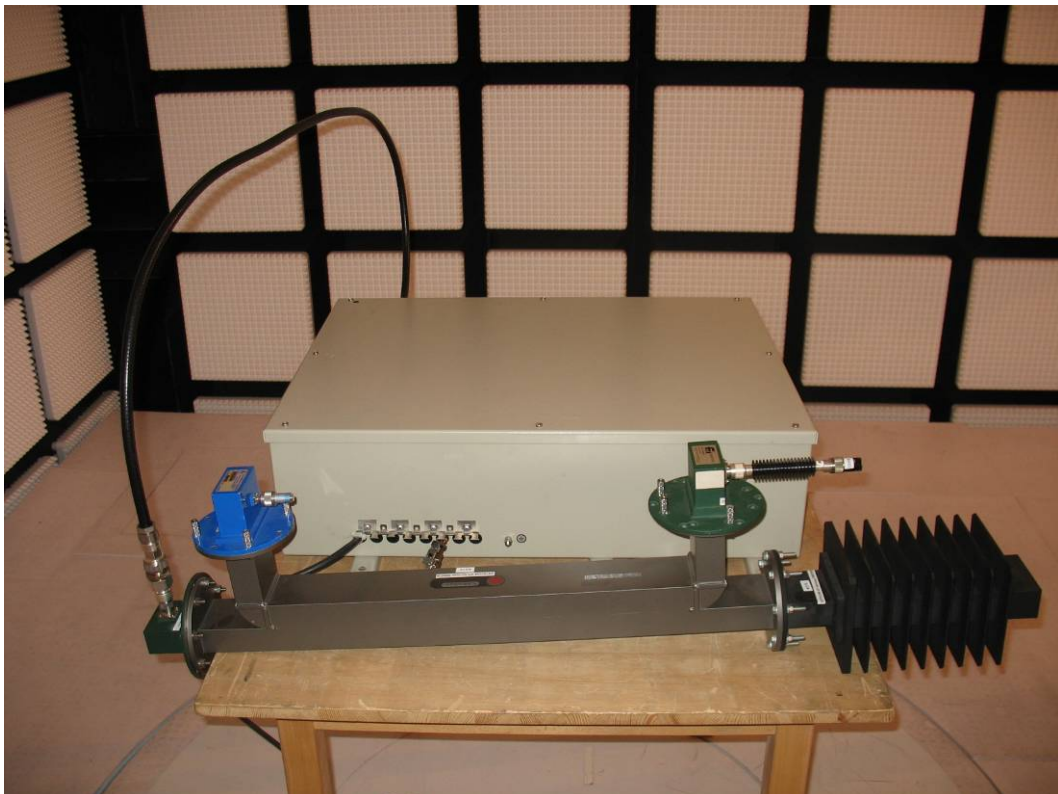

Photo No. 5: conducted measurements, spurious emissions up to 10 GHz

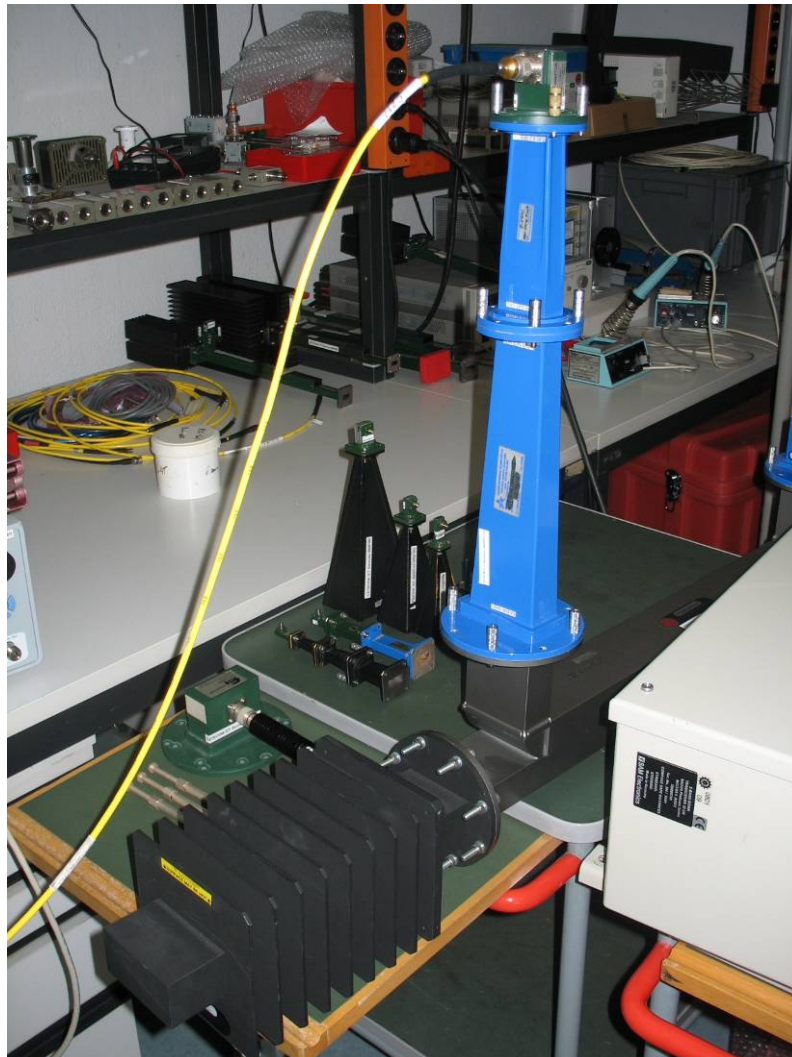

Photo No. 6: conducted measurements, spurious emissions up to 21 GHz

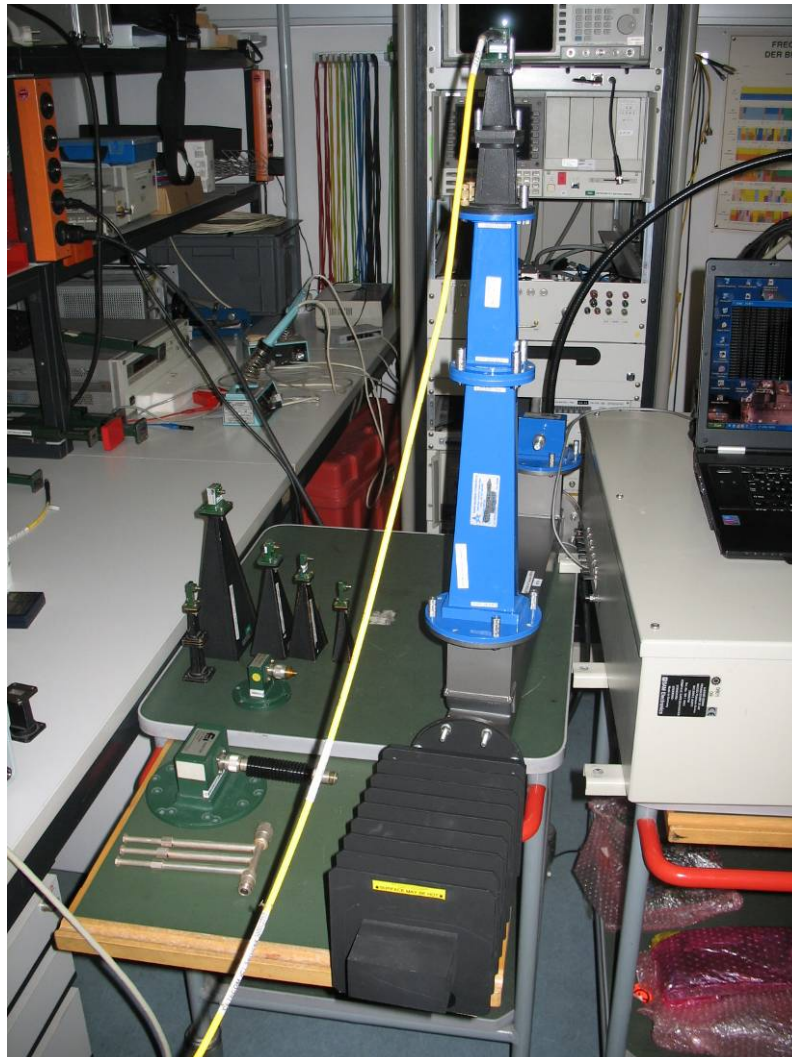

Photo No. 7: conducted measurements, spurious emissions up to 40 GHz
