Subject: Summit Data Communications, Inc. Authorization for WLAN Module Use
SDC-PE15N (FCC ID: TWG-SDCPE15N)

To Whom It May Concern:

This letter acknowledges that Summit Data Communications has authorized JLT Mobile Computers to use the Summit SDC-PE15N module (802.11n PCI Express Mini Card) in their JLT1214S Rugged Mobile Computer. To the best of our knowledge, the SDC-PE15N module has been integrated into this JLT product (JLT1214S) according to the requirements of Summit Data Communications, Inc.

Please contact Summit Data Communications if you have any questions or require additional information.

Sincerely,

Sue White
Documentation and Certification Manager
Summit Data Communications, Inc.
