RE: FCC Class 2 Permissive Change
FCC ID: QOQWT41

Dear Application Examiner

Bluegiga Technologies Oy / Bluetooth module, FCC ID: QOQWT41, would like to have your authorization for a Class 2 Permissive Change. The C2PC is for using the Würth chip antenna with part number 7488910245. The datasheet of the antenna and the test report is included as an appendix of this application.

Best regards
