Correspondence Number	Memo
QPISLROOMTMP00-1	1. The actual page showing the FCC-ID label already has the dimensions showing where it will be placed on the EUT. What is shown is the bottom portion of the EUT. The EUT label would be placed 1.234 inches away from the left hand side and 1.437 inches away from the top. I have added a photo after the label to show that the drawing represents the bottom of the EUT. Please see the exhibit "FCC-ID Label Revised"
