

SETUP PHOTOGRAPHS

This document contains 15 photographs

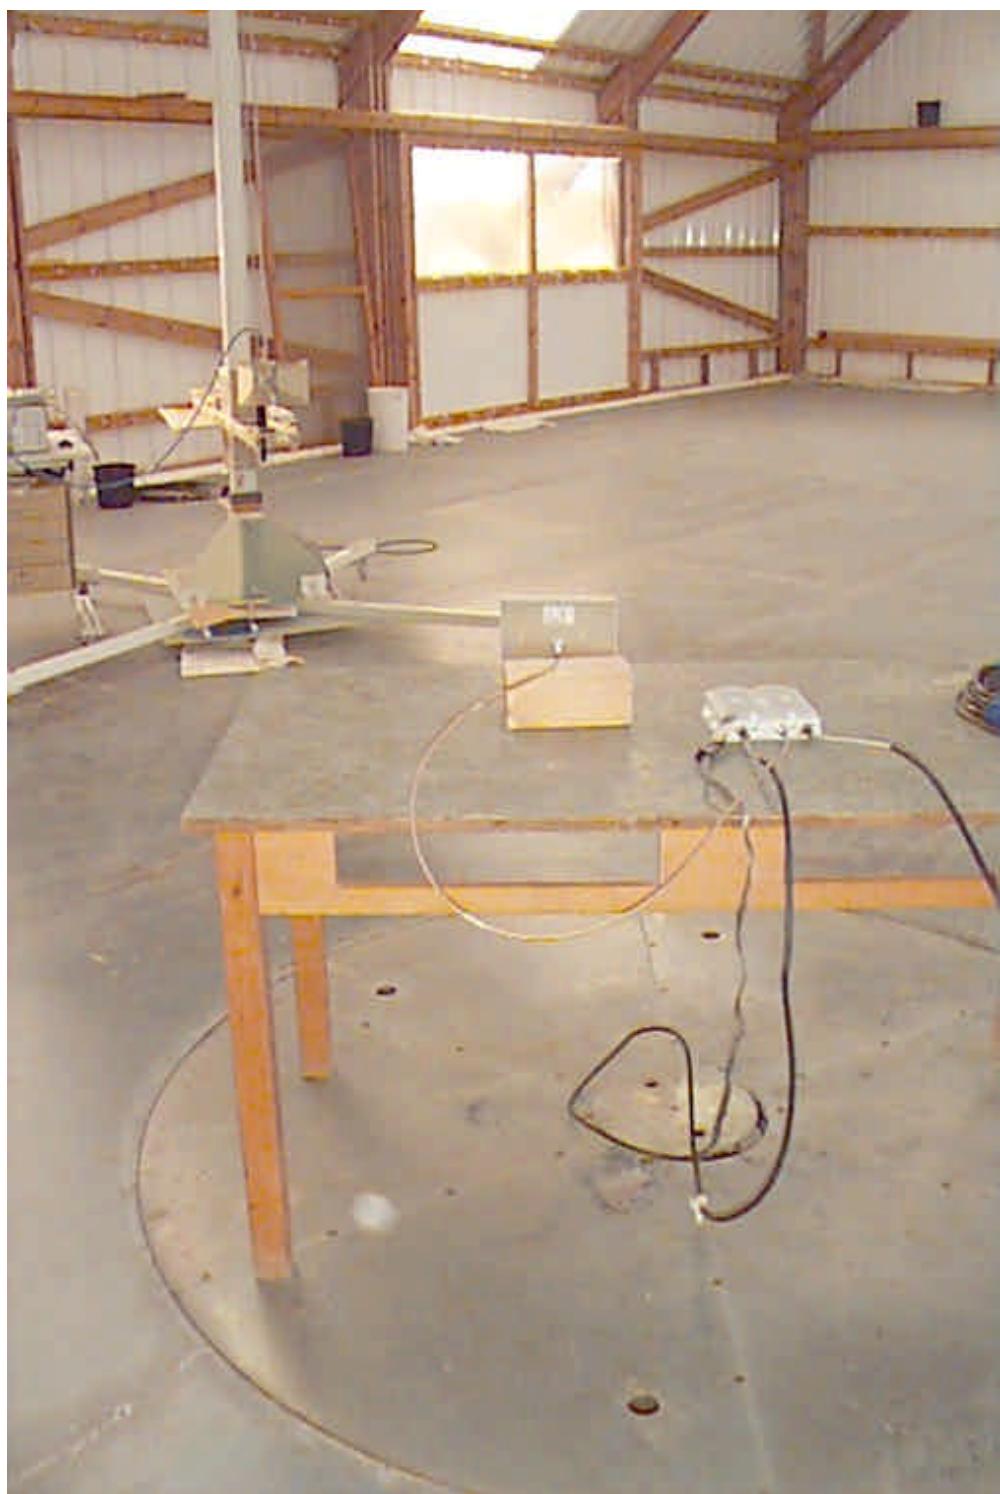

Photograph No.1
Radiated emissions measurement setup general view with 13.5 dBi antenna

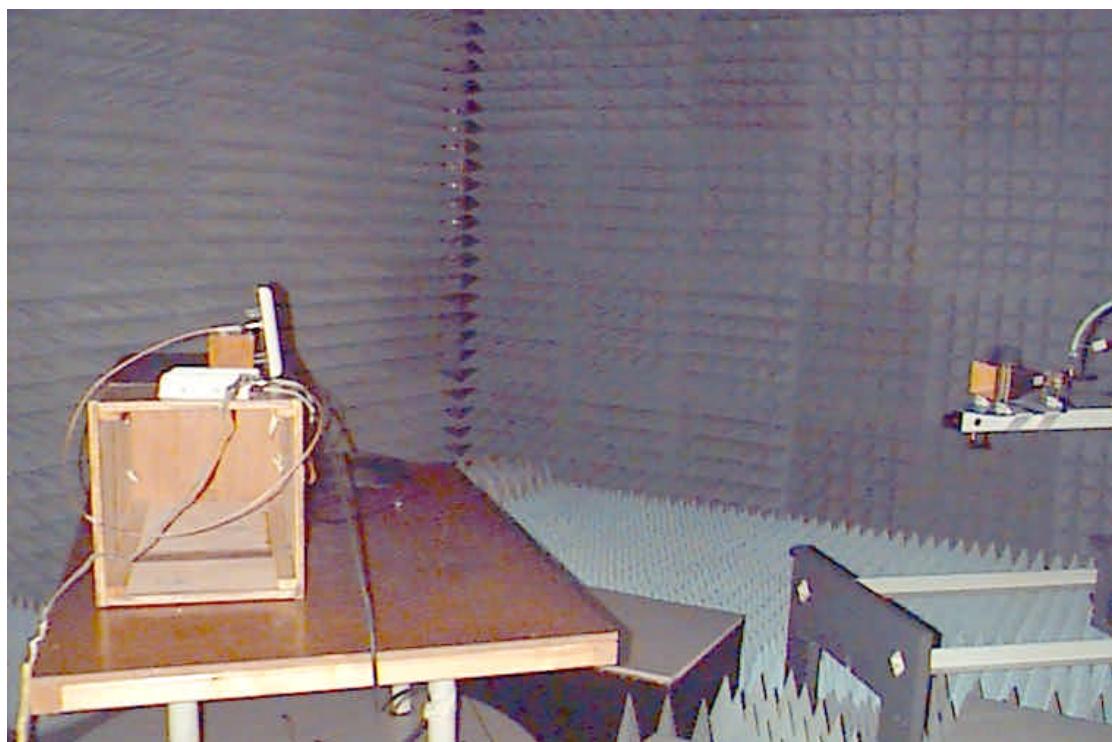

Photograph No.2
Radiated emissions measurement setup general view with 13.5 dBi antenna

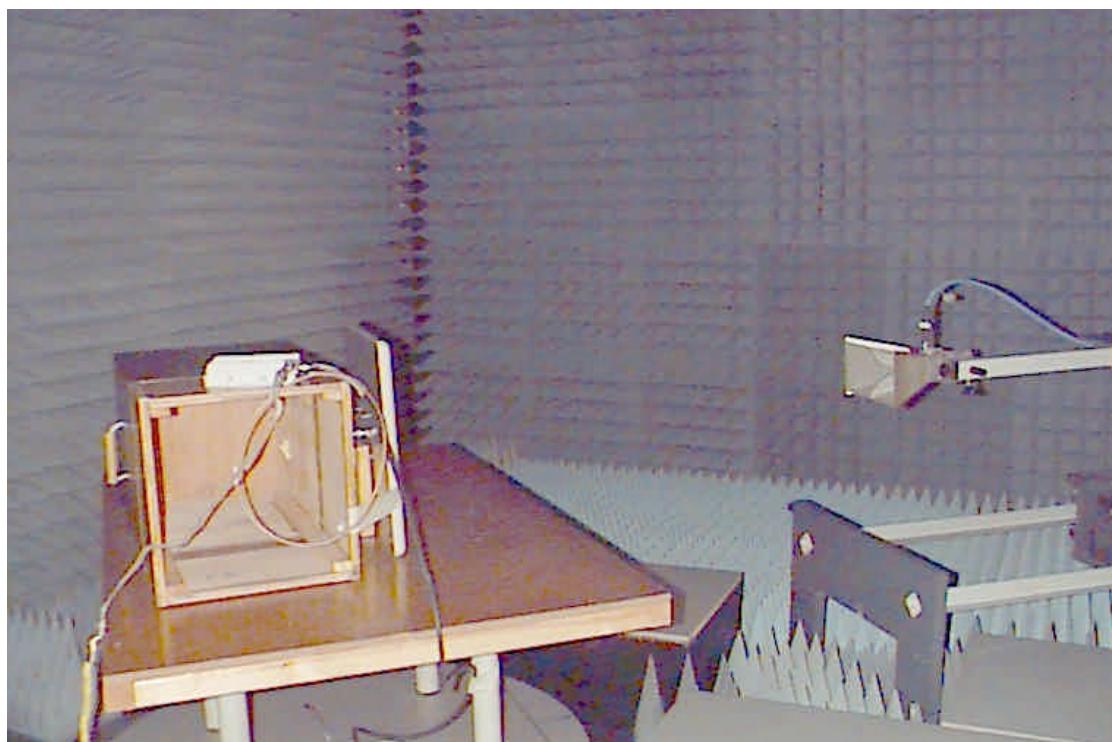

Photograph No.3
Radiated emissions measurement setup general view with 13.5 dBi antenna

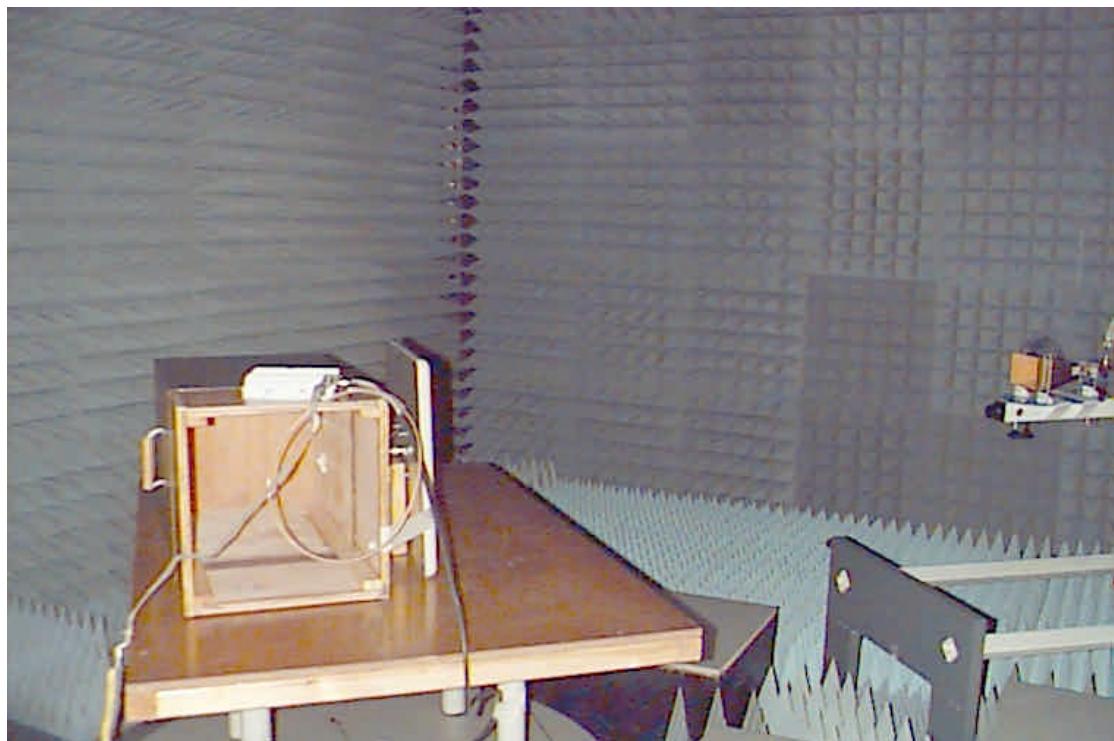

Photograph No.4
Radiated emissions measurement setup view with 13.5 dBi antenna

Photograph No.5
Radiated emissions measurement setup view with 18 dBi antenna in 15 GHz – 18 GHz

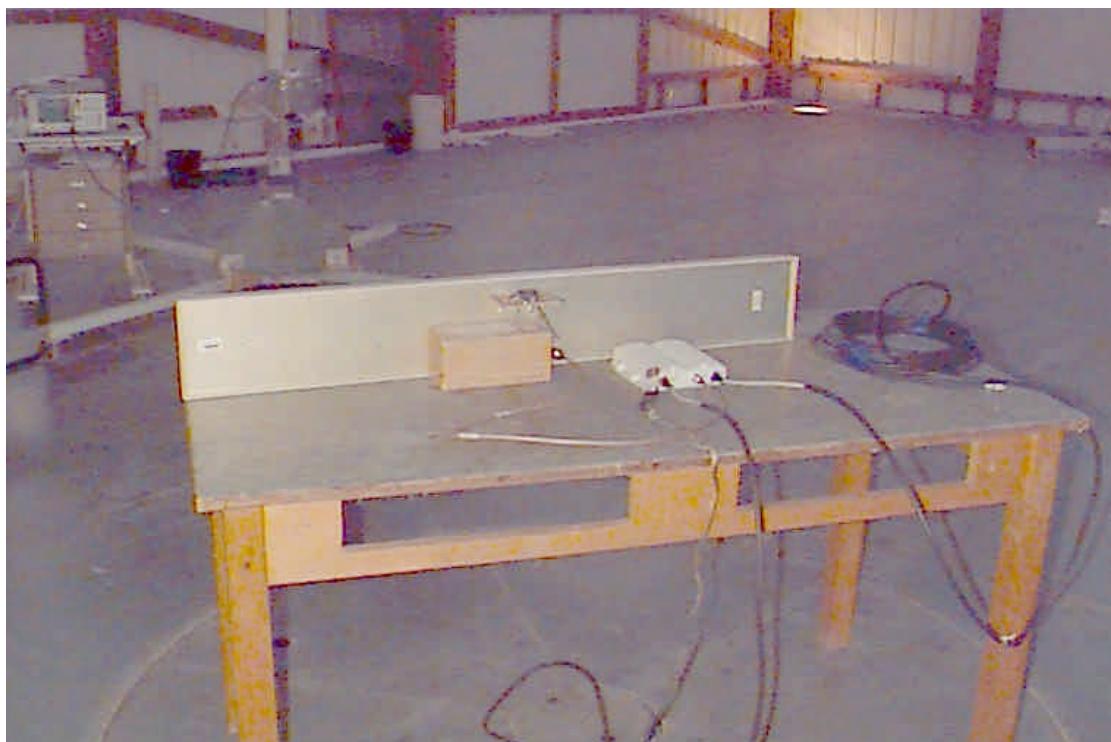

Photograph No.6
Radiated emissions measurement setup view with 18 dBi antenna in 18 – 24 GHz

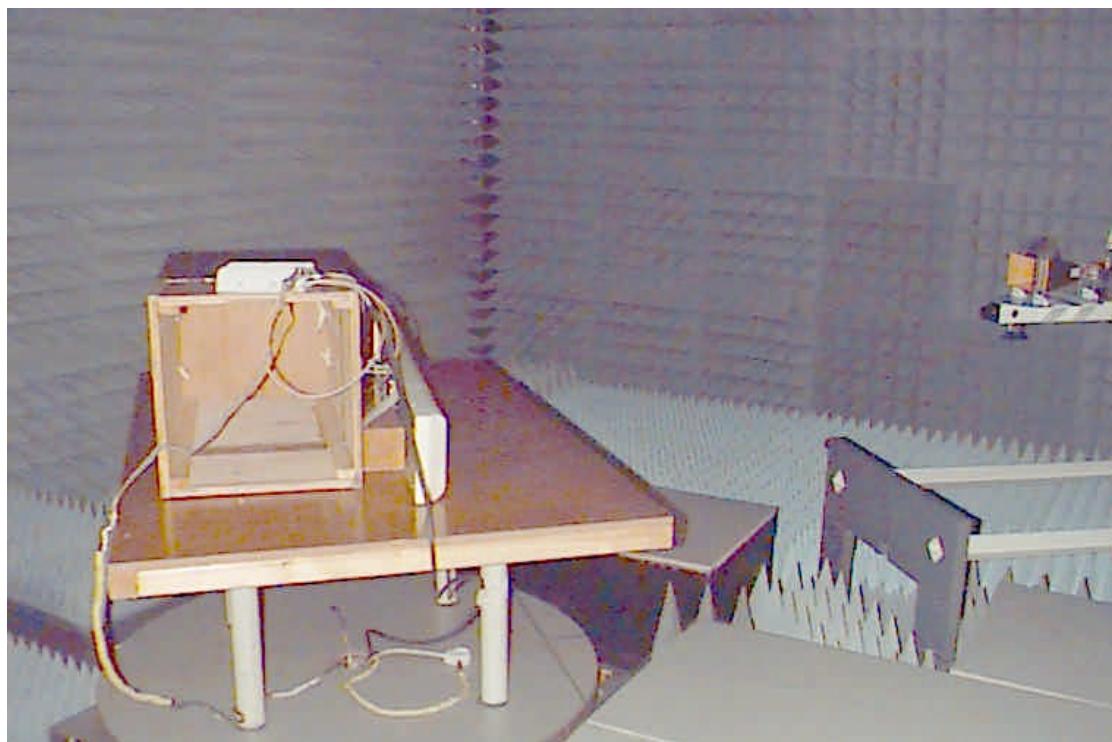

Photograph No.7
Radiated emissions measurement setup view with 17 dBi antenna

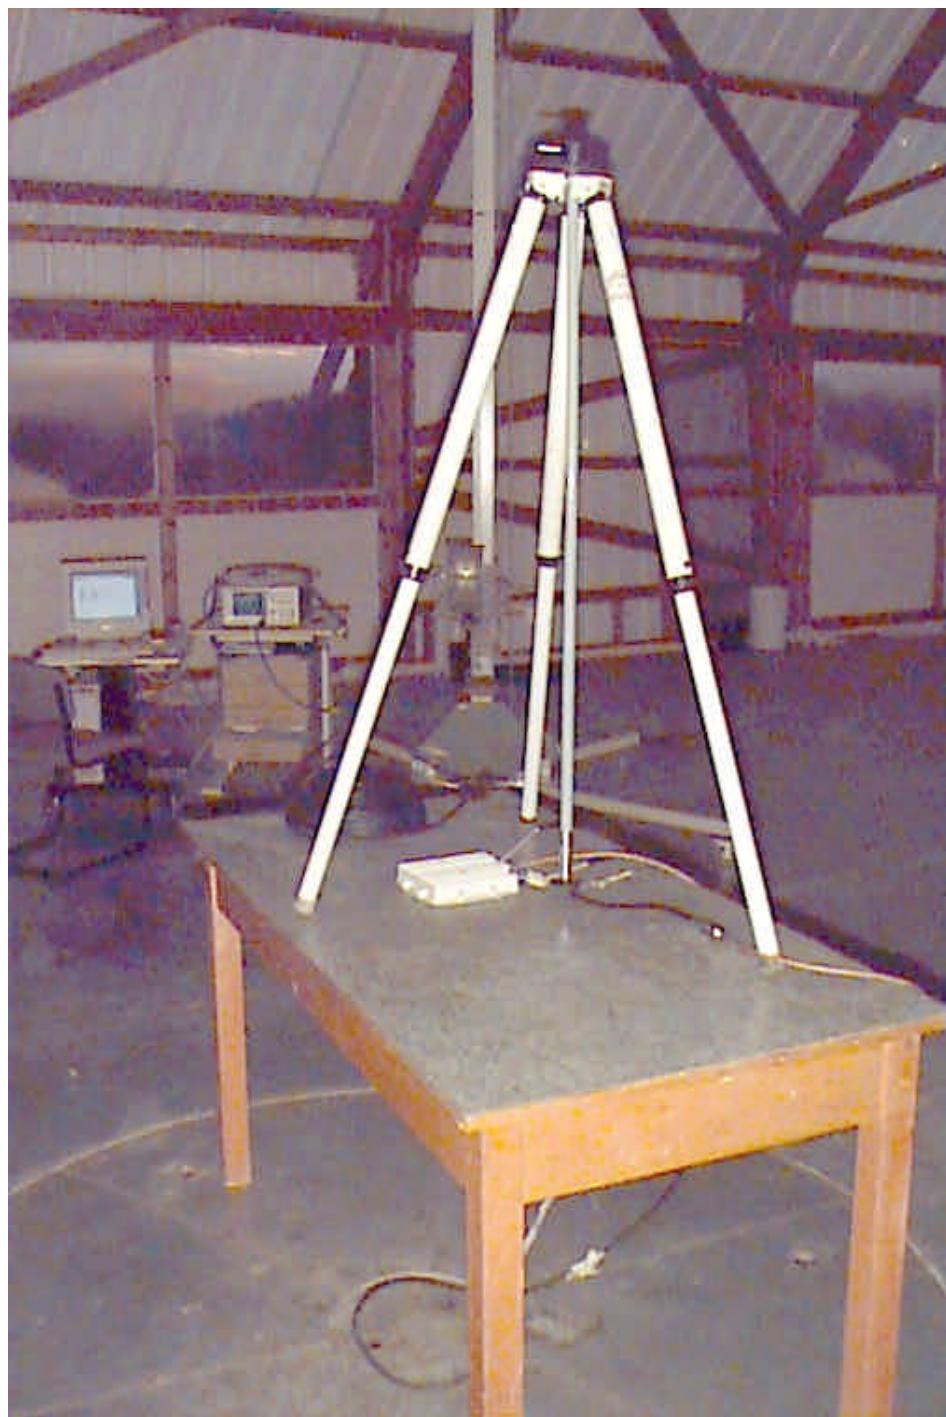

Photograph No.8
Radiated emissions measurement setup view with 17 dBi antenna

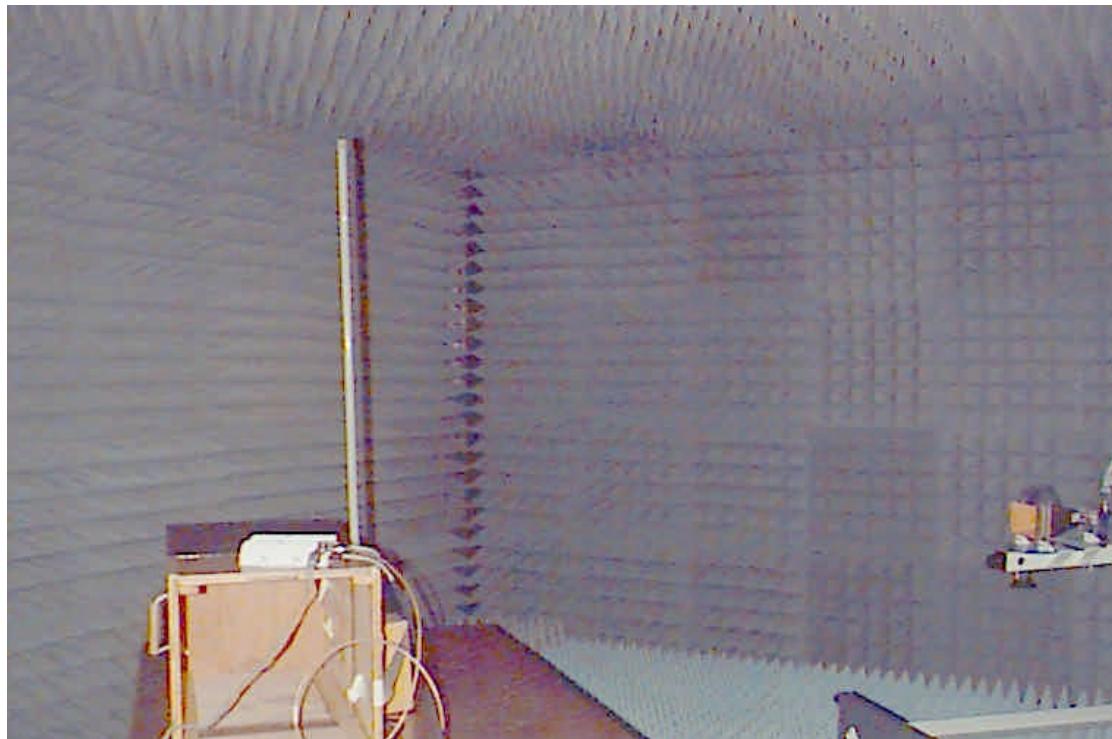

Photograph No.9
Radiated emissions measurement setup view with 17 dBi antenna in 18 – 24 GHz

Photograph No.10
Radiated emissions measurement setup view with 12 dBi antenna

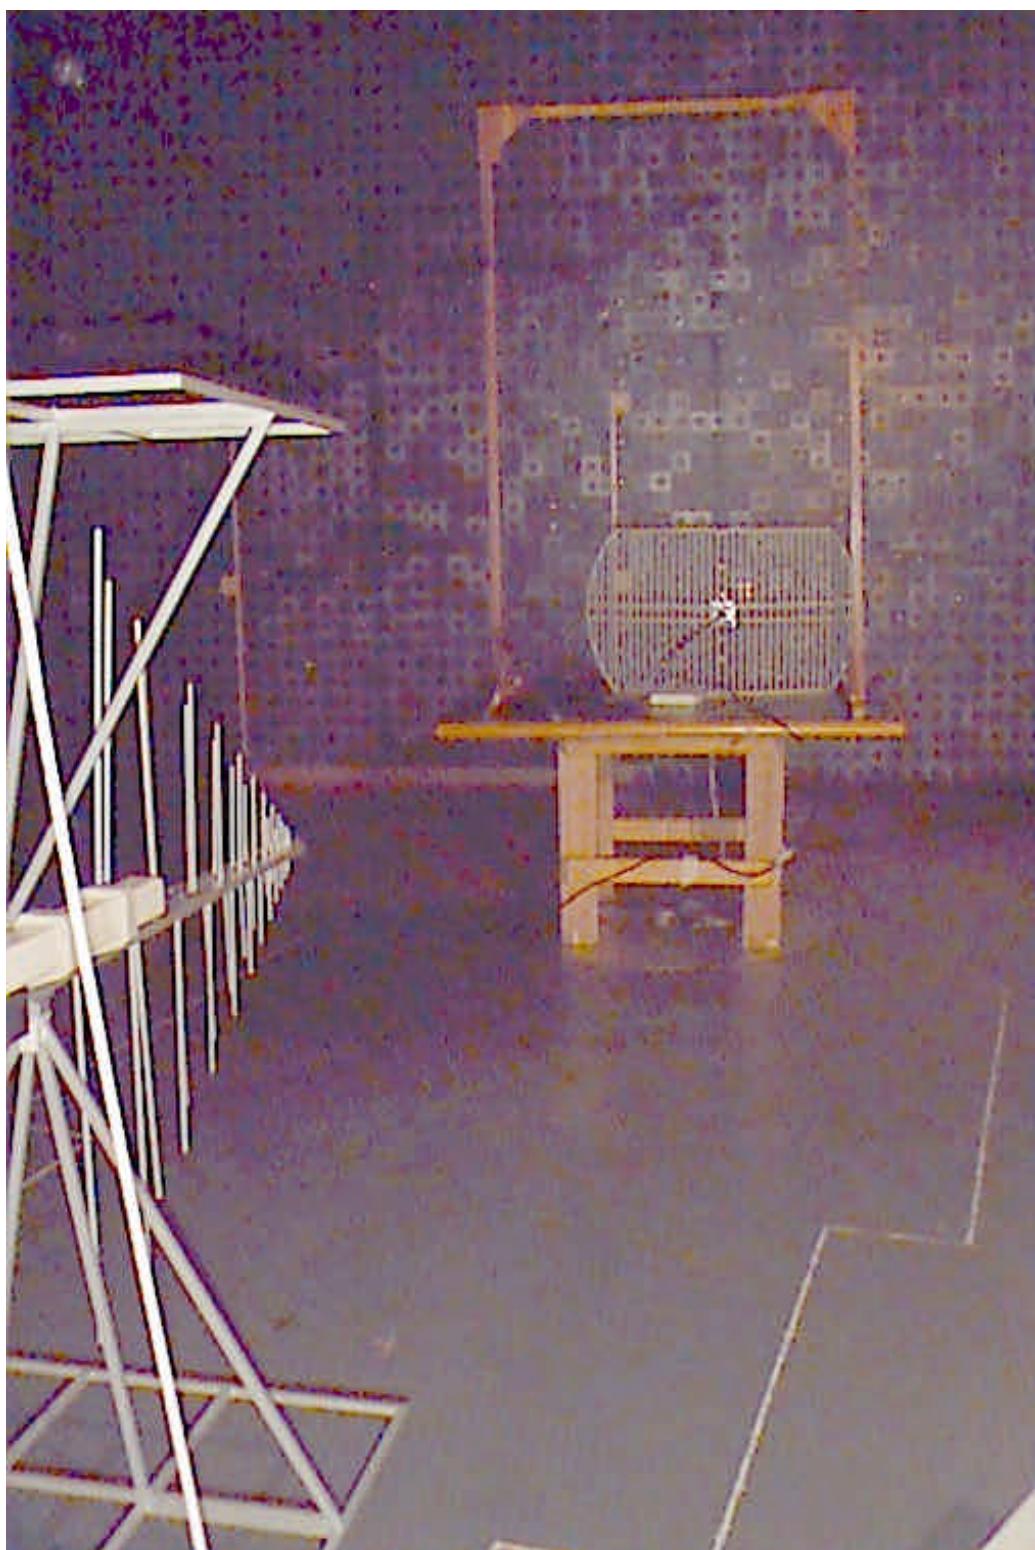

Photograph No.11
Radiated emissions measurement setup view with 12 dBi antenna in 18 – 24 GHz

Photograph No.12
Radiated emissions measurement setup view with 24 dBi antenna

Photograph No.13
Radiated emissions measurement setup view with 24 dBi antenna

Photograph No.14
Radiated emissions measurement setup view with 24 dBi antenna

Photograph No.15
Radiated emissions measurement setup view with 24 dBi antenna in 18 – 24 GHz
