Ref.: Class II Permissive Change for FCC ID: QQQ333

To Whom It May Concern,

This is a Class II Permissive Change Application for FCC ID: QQQ333.

The manufacturer of this device wishes to change the way the equipment operates. Only the timing of the transmissions is changing. The RF output, circuitry, and frequency, and all other specifications will remain the same. The change is only in the software. The new timing still complies with FCC section 15.231.

Please see the attached "operational description" for details as to how the equipment operates.

If you have any questions, please feel free to contact me at (714) 579-0500, or e-mail me at mike@celectronics.com.
