

Correspondence Summary Questions and Answers

April 14, 2003

SUBJECT: TRANZEO WIRELESS TECHNOLOGIES, INC. - FCC ID: QRFTR-3015

TCB Q-1: Part 15.203: Please, could you explain compliance with this section.

Applicant A-1: "The Unit is used in exterior conditions, and as previously stated in a one time sealed Case, and removing the case destroys the plate."

TCB Q-2: Test Setup photos: The device under test appears to differ from the device shown in the external photos. Please, explain.

Applicant A-2: "As explained in our confidentiality letter, disassembling the unit destroys the plastic casing. In order to take the interior shots, we took the unit apart and then rebuilt it using a slightly different plastic external casing. The back is shown as the device is normally mounted since this was taken at a marketing shoot."
