

**Subject: Class II change filing Cover Sheet**

Dear Reviewer,

We, Sporton International Inc, are pleased to be requested by our customer

**TwinMOS Technologies Inc.**

303 No. 3, Tzu Chiang Rd., Hu Kou Xiang, Hsin Chu, Taiwan, R.O.C.

to file Class II change of their state-of-the-art product

Product Name: **USB Flash WLAN Card**

Model Name: **B241**

FCC ID: **QS3WBGZP1**

The purpose of this filing is only for the optional flash memories 256M and 512M which is going to be included except the 126M flash memory in the original filing. Since no RF function and circuit has been modified, so only the emission below 1GHz has to be checked while the 256M or the 512M flash is used. The exhibitions required for this filing has been submitted. If you have any questions, please directly contact me. Thank you.
