

Declaration of Model Differences Letter

Applicant: KLA SensArray

Product name: Storage Case Large Coil/ Carrier Station Large Coil

Brand: KLA SensArray

Model:

Model Name	Model Number
STORAGE CASE LC 300/ STORAGE CASE LC 200	SCLC300/ SCLC200
CARRIER STATION LC 300/ CARRIER STATION LC 200	CSLC300/ CSLC200

Please refer to model difference as below.

Circuit board layout, component models are exactly the same.

#	Product Characteristics:	Products are:	
		Same	Different
1	Radio Frequency Operating Range(s)	X	
2	RF Power / Field Strength	X	
3	Radio Frequency Circuitry	X	
4	Antenna Characteristics	X	
5	Associated Digital Circuitry	X	
6	Functional Capabilities	X	
7	Cosmetic/Dimension Differences		X
8	Case Design/Materials		X

For any differences, a description is provided in the table below.

#	Description of differences:
1	STORAGE CASE LC 300/ STORAGE CASE LC 200 and CARRIER STATION LC 300/ CARRIER STATION LC 200 are cosmetically different.
2	STORAGE CASE LC 200/300 and CARRIER STATION LC 300/ CARRIER STATION LC 200 use the same RF PCA, and the difference are related with non-RF modules.

The difference between them impose no deviation in their RF aspect, and hence, there applies no change to RF test results

A handwritten signature in black ink, appearing to read 'Giampietro Bieli', written over a large, loopy initial 'G'.

Name and position: Giampietro Bieli, General Manager

Name of Applicant: KLA SensArray
