FCC Part 15 Certification

To whom it may concern:

In accordance with § § 0.457(d) and 0.459 of CFR 47, ZAGG Inc. hereby requests Long-Term confidentiality of all Block Diagrams, Schematics, Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which ZAGG Inc. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, ZAGG Inc. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
