**Subject:** Response to Inquiry to FCC (Tracking Number 710610)

### **Inquiry:**

Gentlemen - We are seeking "Permit But Ask" guidance for FCC ID: QTKRM-207. The device is dual system radio transceiver for GSM and WCDMA operating in under rule parts 22/24 and 27. The operating frequency range for part 27 is 1710-1755MHz and is classified under part 27.5(h) as an AWS portable device. The test report, manual and other information is uploaded with this request. Prompt attention to this request is appreciated. Thanks Dennis Ward ATCB

### **Response:**

application approved for initial e-filing upload,  
assuming TCB confirmed application is in accordance with KDB pub 941225,  
as applied and adapted where appropriate for all bands transmitted by device,  
and KDB pub 450824 if/where applicable, eg for probe cal, sys val, and device test  
at >50 MHz from cal. certs.

please respond within this inquiry # to request final grant permission when e-filing  
is complete
