RE: FCC ID: QTLRH-95\_ATCB004311  
Attention: Wang Yan

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the SAR report states a separation distance of 2.2cm must be kept for body worn applications but the manual states 1.5cm separation must be kept. Please correct the manual to be in line with the actual tested separation distance.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
