Re: Grant Dismissal of C2PC Application for FCC ID: QV5MERCURY6E-M, Granted on 11/01/2019

To Whom It May Concern:

We, hereby declare that the product associated this C2PC application under FCC ID: QV5MERCURY6E-M with increased power setting of 31.5dBm configuration, granted on 11/01/2019, has not been sold or marketed anywhere in the world.

The change to increase the output power requires a new FCC identifier per 2.1043. This filing needs to be dismissed and the proposed device configuration will to be filed under a new FCC identifier.

Authorized Signatory
