Re: FCC ID: QVVRM-156

Applicant: Nokia Japan Ltd.

Request for Permissive Change Class II:

Hereby we request pursuant to 47CFR 2.1043, a permissive change class II for, FCC ID QVVRM-156.

Description of Change:

This application is to add HC grant note to QVVRM-156 grant of equipment authorization. Product has been tested for compliance with hearing-aid compatibility, and test reports are submitted with this filing. No HW or SW changes are linked to this application.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Binder", is written over the printed name.

Robert Binder

Product Certification Officer
