November 29, 2006

RE: FCC ID: QVVRM-157_ATCB004270

Attention:

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the confidentiality request letters for parts 15C and 24 are not signed. Please provide signed request letters.
2. Please note that on page 3 of the internal photos there appears to be a shield that has not been removed. Please remove all shields and provide photos of the underlying circuitry. If this is not a shield, please explain.
3. Please note that the 731 does not reflect the EDGE technology emissions designator. If this is part of the phone, please provide the information for this modulation on the 731 form (i.e. 300KG7W).

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
