Quick Use
H500
Bluetooth®
Handsfree Headset

IMPORTANT:
Be sure to first follow the
Quick Start Guide
on the reverse side
of this guide
to complete initial setup
of your H500.

TURNING ON AND OFF

**To turn your headset on**, press the Call button. The LED indicator light flashes when the power is on.

To turn you headset off, press the Call button. The LED indicator light turns off when the power is off.

Call Button

CHANGING FOR LEFT EAR WEAR

You can wear your H500 headset on your left or right ear. The headset comes ready for the right ear. To change the headset for the left ear:

1 Open the ear hook 90 degrees from the headset.

1 Open Ear Hook

2 Gently lift and pull the top of the ear hook up and off the upper hinge pin. Then, pull it away to remove it.

2 Pull Ear Hook Up

3 Flip the headset over.

4 Hook the bottom of the ear hook onto the lower hinge pin, then lift and pull the top of the ear hook over the upper hinge pin.
CHANGING VOLUME BUTTON ORIENTATION

If you change your headset for left ear wear, you can also change the orientation of the volume buttons.

1 Turn the headset power off.

2 Press the Call button and the volume button you want to assign as the "volume up" button until the LED indicator light flashes twice.

The headset power turns on.

Call Button

WEARING THE HEADSET

1 Open the ear piece.

2 Loop the ear piece over your ear.

3 Position the microphone as necessary.

4 Press the headset to your ear.

MAKING CALLS

To make a voice dial call, short press the Call button and speak the name.

To end a call, short press the Call button.

To put an active call on hold, long press the Call button.

To resume a call on hold, long press the Call button.

To receive a call, short press the Call button.

To reject a call, long press the Call button.

**To answer a second incoming call**, long press the Call button (places first call on hold).

To toggle between two active calls, long press the Call button.

To transfer a call from the phone to headset, short press the Call button.

Note: Your H500 supports both Handsfree and Headset Profiles. Accessing call functions depends upon which profile your phone supports. See your phone's user's guide for more information.

MUTING A CALL

To mute a call, press both volume buttons.

Volume Buttons
