

Family Certification Attestation Letter

3/18/2024

Equipment Authorisation Division
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

ATTN.: Reviewing Engineer

FCC ID: QWHGOCAM

Models: GO CAM WIRELESS, GO CAM WIRELESS 2

We hereby request Family Certification for the above mentioned Models based on them being identical in enclosure/form factor, internal circuitry/PCB components, hardware and the only difference is in the marketing model names, accessory and ADK software as described in the table below.

| Model | Item Difference 1 |
|---|---------------------------------------|
| GO CAM WIRELESS (Fully Tested Model) | Package has: DUT x1pc, receiver x1pc |
| GO CAM WIRELESS 2 | Package has: DUT x2pcs, receiver x1pc |

Therefore, testing on model GO CAM WIRELESS is demonstrative of compliance of all Models subject of this application.
