Declaration of Similarity between individual Part Numbers

FCC ID: QWP-30450M

To Whom It May Concern:

Please be advised that the Part Numbers listed below are identical hardware units with different software personalities installed.

C030045A101A - 3 GHz PMP 450m Integrated Access Point, 90 Degree
C030045A104A - 3 GHz PMP 450m Integrated Access Point, 90 Degree (No Encryption)
C030045A111A - 3 GHz PMP 450m Integrated Access Point, 90 Degree, Limited
C030045A114A - 3 GHz PMP 450m Integrated Access Point, 90 Degree (No Encryption), Limited

The part numbers relate to the same 3083HH model number and are identical units, all RF measurements and test results apply to all part numbers listed

There are two differences between Part Numbers, C030045A104A and C030045A114A are supplied without the capability to support software encryption, C030045A111A and C030045A114A are supplied with limited functionality in terms of the number of subscriber units that can be supported. The limitations in functionality between different part numbers do not affect regulatory parameters and are controlled through software that is installed at the factory.

Thank you for your attention to this matter.

Yours faithfully

Donald W Reid
