Subject: Confidentiality Request - Certification Application FCC ID: QWP-50650, Part 15E Class III Permissive change request to add UNII-1 (5.15GHz to 5.25 GHz) to the existing SDR grant.

Pursuant to Sections 0.457(d) and 0.459 of CFR 47 Cambium Networks Ltd request that the following information, provided to support the FCC application for the PTP 50650, FCC ID: QWP-50650, be held permanently confidential:

- Operational Description

The above material contains Cambium Networks Internal trade secrets which are not made publically available as they are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors. This information should not be available for public disclosure for an indefinite period of time.

To assist in assuring we receive the full value from our product and to protect Cambium Networks intellectual property we respectfully request this grant of confidentiality.

Please contact the undersigned if there are any further questions or additional information needed in this matter.

Yours sincerely

Donald W Reid
