Subject: Certification Application – Tune Up Procedure

FCC ID:QWP49100

GRANTEE Code : QWP

FRN Number : 0008260564

Motorola confirms that the product output power is controlled by a closed loop Transmit power control system. The power detector is calibrated on every unit in the factory as part of the normal production process.

Motorola also confirms that the maximum power available in the product is limited by the Licence key fitted to all units in manufacturing.

**Yours Sincerely**

A handwritten signature in blue ink, appearing to read 'Clem Fisher', written over a horizontal line.
