Subject: Request for Confidentiality

FCC ID: QWP54100

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we request that the Commission withhold indefinitely from public disclosure the following confidential documents.

- Block Diagram
- Theory of Operation

The above mentioned documents contain detailed system and equipment descriptions that are considered proprietary information in the operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachments until 30th November 2008.

- Internal Photos
- Test Setup Photos
- User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be treated as confidential documents and that those documents will be available for public review once the grant of equipment authorization is issued.

Yours sincerely
