Dear Helen,

About the questions, please see the new test report of attached.
There are four files.

Best regards,

Joe

Subject: Chung-Hsin Electric & Machinery Mfg. Corp., FCC ID: QWTBAP-100, Assessment NO.: AN05T4462, Notice#2

Question #1: Section 4 Radiated Emission of the test report provides low channel radiated spurious test plots. Please provide the test plots for MID, High channels.

Question #2: Section 4 Radiated Emission of the test report does not provide test plots from 2.4GHz to 2.48 GHz, please do provide for all L, M, H channels.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
