

Sonicwall, Inc.
1143 Borregas Ave., Sunnyvale, CA 94089

Date: 08/02/2009

Attestation

When APL21-069 is sold and marketed in North American, the radio is limited to stay within the legal requirements for the USA and Canada. The country setting or any other setting accessible to the user cannot override this.

This statement is in the manual.

North American Authorized Channels

SonicWALL declares that the APL21-069 (FCC ID: QWU-069)(IC: 4408A-069) when sold in US or Canada is limited to CH1~CH11 by specified firmware controlled in the USA.

Sincerely yours,

Sonicwall, Inc.
