

Approval for BlueTree use

February 09, 2005

Wavecom Inc., hereby authorizes Nemko Canada Inc. to refer to Wavecom's Q2426-SK certification documents, FCCID O9EQ2426-SK, solely for the purpose of enabling Nemko to conduct Bluetree's FCC and PTCRB testing and certification process for the products:

- BT-4400
- BT-5400

This includes the Q2426-SK test report, the detailed results, the use of "Wavecom", the use of Q2426-SK name, and the use of Wavecom's approved OS version. Such use of "Wavecom" and the Q2426-SK names shall be limited solely for the purpose of conducting the FCC and PTCRB testing and certification process.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gulmit Sobti', with a stylized flourish at the end.

Gulmit Sobti
Certification Manager
