Subj: AUTOMATIC IDENTIFICATION SYSTEM AID TO NAVIGATION (AIS AtoN);
LETTER OF COMPLIANCE

Based on the information you have submitted, we have determined that the Saab R60 AIS AtoN Station meets the technical requirements of IEC 62320-2, Maritime navigation and radiocommunication equipment and systems - Automatic identification system (AIS) - Part 2: AIS AtoN Stations - Operational and performance requirements, methods of testing and required test results, 2016.

The Saab R60 AIS AtoN Station is not subject to U.S. Coast Guard type-approval per Title 46 U.S. Code of Federal Regulations (CFR) subpart 159 nor should it be marketed as having received such type-approval. However, this letter may be used during the review and certification process performed by the U.S. Federal Communications Commission, as applicable.

This letter was delivered electronically to stefan.l.karlsson@saabgroup.com. No hard copies will be provided. If you have any questions, please feel free to contact this office at the email address or phone number above or at typeapproval@uscg.mil. Please reference ID#: 2023-2960 in any correspondence related to this project.

Sincerely,

F.A. STROM
Commander, U.S. Coast Guard
Chief, Systems Engineering Division
