To whom it may concern,

Request for Class II Permissive Change  
FCC ID: QXO-WSAP3705I

Pursuant to CFR 2.1043, Enterasys Networks( A Division of Siemens Enterprise Communications Group) hereby request a Class II permissive change.

The application is prepared for FCC class II permissive change by adding operating frequency bands through software modifications to the original application.

The hardware is electrically identical in all aspects with no hardware modifications to date.

Modification:

1. Add UNII band operation for frequency band 5260-5320MHz and 5500-5700MHz under FCC part 15.407. DFS testing was performed and reports submitted.

Sincerely,
