Applicant: Abbott Diabetes Care  
Equipment: 2.4 GHz Insulin Pump/Glucose Meter Transmitter

To whom it may concern,

On behalf of my client Abbott Diabetes Care, this request is being submitted to maintain short-term confidentiality is requested for the following items, for a period of 45 days from the date of this letter:

Disclosure of the referenced documents to outside parties would give competitors an unfair competitive advantage and could result in considerable financial harm to Abbott Diabetes Care. Items for which permanent confidentiality is requested are critical to the design and intellectual property of the product. Items for which short-term confidentiality is requested will give competitors and others product information prior to the availability of the product on the market, which also could result in harm to Abbott Diabetes Care.

If you have questions or need further information please contact the undersigned.
