**Request for confidentiality**

To whom it may concern.

Further to the original confidentiality request, dated 6<sup>th</sup> Feb 2006, Simrad requests that the following documents submitted in respect of approval application QYSRS87 are company confidential, containing technical information of a proprietary nature. This list is corrected in light of the actual documents submitted.

Exhibit 5: Schematics

Exhibit 10: Parts List/Tune Up Information

Exhibit 12: Operational Description (includes Block Diagrams)

I would respectfully ask that documents of this category are kept confidential.

Thank you for your assistance

Yours Sincerely

David Sheekey
