**Overview**

This application for the certification of Nike+ WatchRemote, FCC ID: QYUFL520 Model WM0053. It operates in the 2.4 GHz band. It is a single channel transmitter. The radio is a small, battery operated, body worn data transmitter used for low rate data transmission. The device is housed in a plastic waterproof enclosure. It is battery operated with no provision for connection to the AC mains either directly, or indirectly from another device.

The radio utilizes a single integral PCB etch antenna. This configuration satisfies the requirements of 47 CFR 15.203.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
