Request for Confidentiality

Company Name: Nike Inc.
FCC ID: QYUFL520
FCC Part 15 Certification

Dear Sir or Madame,

In accordance with 0.457 and 0.459 of CFR 47, Nike Inc. hereby requests confidentiality of the following documents;

- Block Diagrams
- Schematic diagrams
- Operational Description
- Internal photos

Confidentiality for the internal photos is requested due to the fact that the product utilizes specialized screws that are not generally available to the public. Any attempt to remove these would damage the screw heads thereby making access to the circuitry impossible.

These documents contain detailed system and equipment description and related information about the product which Nike Inc. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Nike Inc. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
