To whom it may concern

In accordance with 0.459 of CFR 47, Cochlear Bone Anchored Solutions AB hereby requests:

- Confidentiality of following attachments: Block Diagrams, Circuit Description, Schematics, Parts List, Operational Description for the subject application.
- Short-term confidentiality of following attachments: Internal photos and user manual.
- Release date of short-term confidentiality is: June 15, 2013. The product will not be placed on the market until June 15, 2013, therefore short-term confidentiality of following attachments: Internal photos and user manual are requested.

These documents contain detailed system and equipment description and related information about the product which Cochlear Bone Anchored Solutions AB considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Cochlear Bone Anchored Solutions AB considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely yours,
