Gentlemen:

Elster Solutions respectfully requests confidentiality of certain materials provided with the submission of the REXU under FCC ID: QZC-REXU in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the following exhibits:

12-0259 – Theory of Operation – 900MHz Modes 3&4 – 3rd Party Confidential.pdf

The REXU has been developed at considerable effort and expense by Elster Solutions. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'.
