FCC ID: QZC-RXUEV

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, *Elster Solutions* requests short term confidentiality for the following items for a period of not less than 180 days for after the grant as outlined in Public Notice DA 04-1705:

- 1. External Photographs
- 2. Internal Photographs
- 3. User Manual
- 4. Test Set-up Photographs

These items contain detailed system and equipment description and related information about the product which *Elster Solutions* considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, *Elster Solutions* also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
