Pursuant to sections 0.407(d)(1)(ii) and 0.459 of the Commission's rules, this letter requests confidential treatment of following material filed in support of the above-referenced application. Juniper Networks, Inc. requests the following documents be held as confidential until such time as the product is released per FCC Public Notice 04-1705.

- Set up photos
- Product Internal Photos
- Product external photos
- User manual
- Product literature or description

The information contained in the document presents information about Juniper Networks, Inc. product that is being certified for commercial development. If competitors were to have access to this document both before and after release, they would have knowledge of Juniper Networks, Inc. proprietary technology and would be able to use this advance knowledge to their advantage. This could result in substantial competitive harm to Juniper Networks, Inc. ability to bring future product to market, should that decision be made.

1. Identification of any measures taken by the submitting party to prevent unauthorized disclosure.
 - a. Information about Juniper Networks, Inc. products currently under development is considered by the company to be commercially sensitive information that employees are not permitted to discuss outside the company.
2. Identification of whether the information is available to the public and the extent of any previous disclosure of information to third parties.
 - a. Information about product development is not routinely provided to the public, and is not available on Juniper Networks, Inc. web site. No information about this product has been disclosed.

3. Justification of the period during which the submitting party asserts that material should not be available for public disclosure.
 - a. We further authorize the release of the above information after the official product launch scheduled for 11/15/2012. Or a period not to exceed 60 days which ever comes first.

This request is in addition to our request to with hold specific Juniper Networks, Inc. technology confidential for the life of the product per applicable regulations.

Sincerely,

Signature:
