Re: Letter of Changes FCC ID: R33C4HC2001

---

We are informing the interested parties regarding changes made to the following product model number.

C4-HC200-E-x – New updated model number C4-HC200B-E-x (x denotes the color of the unit)

Changes in RF section of the product are:

- 1) Additional filtering added to the DC power supply that supplies the RF radio circuitry.
- 2) RF output balun component value change to improve RF signal integrity.
- 3) 2 additional PCB ground layers added.

Thank you,
