

coolpad Legacy™ S

Thoughtful Features, Meaningful Design

The Coolpad Legacy S offers a thoughtfully designed, personalized smartphone experience with built-in security and intelligent camera features that include auto-scene detection.

Expansive Display

A 5.45" Full HD+ display provides an immersive media experience, supporting the latest movie & TV formats with 18:9 Full HD.

Stay Powered Up

With a 2,450mAh battery, Legacy S provides 17 hours of calling, texting, and entertainment to last you throughout the day and into the night.

Personalized Security

2D facial unlock provides secure access to your smartphone, analyzing 192 facial features for quick performance.

Compelling Cameras

Take quality photos and videos with the 8MP rear-facing and 5MP front-facing cameras. Choose your scene or have one selected for you with auto scene detection. Select your picture and video size based on your purpose. Use your timer to help you take your best picture at the right moment.

Meaningful Design

The thoughtful, symmetrical design brings everything together for a well-balanced experience. The textured cross-hatch design offers added functionality helping protect from slips and drops.
