Subject: FCC Class II Permissive change for FCC ID:R38YLCP3648A

To Whom It May Concern,

This is to request a Class II Permissive change for FCC ID:R38YLCP3648A, granted on 2019.11.04.

We, Yulong Computer Telecommunication Scientific (Shenzhen) Co., Ltd, declare on our sole responsibility for the product of cp3648AT as below:

The changes are:

New build number: 9.0.042.P1.200102.cp3648AT

Add WFC/RTT features

Implement Google security patches

Except differences above, the others are all the same. No hardware changes.

According to the change detail, the test items below were performed.

1.HAC RF & T-Coil

Add tests of VoWiFi for T-Coil.

Use original test data for RF.

Thank you.

Sincerely,
