Statement

We hereby declare, that we have not interfered, neither with hardware or software, in the phasing or tuning procedures of the GSM G18 Module.

With reference to this, we have received the following statement from Motorola:

Statement from Motorola:

"G18 can only be phased by Motorola, customers do not have access to any phasing or tuning. This internal information can't be released external to Motorola."

Sincerely,

Signature
Hans-Georg Rademacher
Managing Director
